

# meet our board members

## **Kristin Reinsch**

**Business Development Manager, Kolar Automotive Group**

Meet Kristin! Kristin has been married to her husband, Brett, for over seven years. Together they have three beautiful children, Emma, Evie, and Owen. As a family, they love to search the beach for sea glass and explore the outdoors every chance they get. She loves coffee, reading, and spending time with family.

Kristin has been the Business Development Manager for the past three years at Kolar Chevrolet Buick GMC Cadillac in Hermantown. She also helps plan and coordinate the annual Holiday On the Hill event with a wonderfully dedicated team!

*“The Hermantown Chamber and the community are huge parts of my life, and every moment I get to spend with them working with our community is a blessing.”*

**Thanks for your service, Kristin!**
