Michelle and her husband moved to the Hermantown / Duluth area 24 years ago, where they raised four children. She actively volunteered for many years with the St. Rose School Board, the St. Rose Apple Pie Fundraiser, Twin Ports Mothers of Multiples and now the Chamber.

*"As a Chamber member, I have enjoyed interacting with members at the different functions the Chamber holds throughout the year. The welcoming atmosphere and the wide variety of business members has provided me with a great opportunity to network, connect with the community and have a personal impact on the growth and development of the area. The Chamber has helped me grow as a person as well, making me a more effective business owner."*

**Thank you for your service, Michelle!**
