Sophia Peterson

Associate Director, Hermantown Public Schools

Sophia Peterson is currently a senior in high school. She is excited to see where her life takes her after high school, and is waiting to see if her Ivy League dreams will come true. She will let you know in April. Whether she attends Brown University or the University of Minnesota - Twin Cities, she will work toward a degree in political science.

Sophia is the oldest of six children, and has lived in Hermantown her whole life. She is an artist, a singer, a piano teacher, a former camp counselor, a pizza truck chef, a tennis player, and a skier. Tennis and skiing are now hobbies, as sports were replaced with the St. Scholastica women's choir in 2017.

Sophia is the senior class president and the National Honor Society president at Hermantown High School and participates in the Link Crew and the drama club. She enjoys her position with the Hermantown Area Chamber of Commerce, and is excited to learn more about business and politics.

Thanks for your service, Sophia!
