## Brandon Monson

### Spectrum Enterprise Account Executive

Brandon is an Enterprise Account Executive with Spectrum; specializing in fiber internet, managed services, and VoIP phone systems. Brandon has a passion for helping small businesses grow and develop, values instilled while growing up with his parents, who themselves were small business owners. "I'm pleased to be able to continue my chamber ambassador role by joining the board. I can continue to be an advocate and cheerleader for small businesses served by the Hermantown Chamber, developing a better business community."

Brandon is also a part time Youth Pastor at Grace Church in Cloquet, and the BNI Director for four chapters in the area. Brandon and his wife have two cat fur babies, a new baby girl Maisy, and are currently foster parents and are looking to adopt children as well.

**Thanks for your service Brandon!**
